GENERAL CONDITIONS

1. Applicable statutory deduction like GST, Income tax, sales tax, EPF/ESI, work contract tax, etc, shall be effected while settling bills. The contractors must remit ESI/EPF for the work and for their employees should produce proof of remittance to avoid the ESI cutting while submitting the bills. Submit the Challan as the proof of remittance along with bills, for considering release of payment. Without the ESI/EPF remittance proof, payments will be released only after cutting the ESI/EPF from the bills.
2. All essential materials required for the work shall be brought to the site before commencing the work.
3. Specification shall be as mentioned in the schedule of quantities and for further clarification our Production Section Head shall be contacted before taking up the particular work.
4. The quantities and items of works mentioned in the schedule are tentative. Manager reserves the right to place work order for part of the schedule, depending upon the financial implications. Payment shall be effected only for those quantities actually executed at site.
5. Each item of work shall be approved prior to commencement of the next work.
6. The contractor shall arrange for all compliance to the ESI/PF rules in force. Cattle Feed plant shall not be liable for any benefits/compensation to the workers engaged by the contractor, in the event of accidents/mishaps etc. during execution of work. The contractor shall provide suitable safety measures to his workmen and also to the plant raw materials stored in that area in case of any emergency like rain/wind etc. while executing the work.
7. The contractor or his workmen shall not interfere in any activity of the plant and/or cause any damages to building/property. The entry of all labors will be based on the gate pass, which will have to be arranged by the contractor prior to starting the work. In the event of any damage to Cattle feed Plant's property, the contractor alone shall be liable.
8. The plant day to day activities shall not be affected during the execution of contract works.
9. The contract works found inferior in quality/of bad workmanship shall be redone at contractor's risk and cost within stipulated time. Financial losses incurred due to delayed execution of contract works affecting our routine production will be suitably recovered from the contractor.
